A REFRESHING  
APPROACH  
TO VENDING

Someone somewhere is vending a Britvic brand

 Refreshment Systems Ltd

in partnership with

**BRITVIC**  
soft drinks

# Why choose Refreshment Systems vending services?

## Refreshment Systems will deliver an exceptional local service to you:

- 1 2010 Auto Vending Magazine Innovation Awards finalist for 'Vending Operator of the Year.'
- 2 44 year old, 2nd generation family business resulting in a hands-on customer-focused vending company .
- 3 Technologically-led vending operator.
- 4 Industry standard-setting engineering team led by a Technical Manager that heads a national independent operator's forum who works directly with machine manufacturers to develop new products and improve reliability.

Refreshment Systems is the UK's only CarbonZero® vending operator and a finalist for 'Vending Operator of the Year'.

Established in 1967, they are a Bradford based family business that puts the customer at the heart of their values. Developing new technology and setting new industry standards to ensure that their customers are working with THE Vending experts.

All you need to do is provide us with a socket!
